

Briefly Privacy Policy

Effective Date: [DATE]

1. Introduction

Briefly is committed to protecting your privacy and handling your data responsibly.

This Privacy Policy explains what information we collect, how we use it, and the choices available to you.

2. Information We Collect

Depending on the integrations you connect, we may collect:

Account Information

- Telegram account identifier
- Google account identifier
- LinkedIn account identifier
- Basic profile information provided by connected services

Connected Source Information

- Telegram channels and groups selected by the user
- Gmail messages, newsletters, and metadata authorized by the user
- LinkedIn content and activity authorized by the user

Usage Information

- Service interactions
- Selected preferences
- Digest generation history
- Application logs and diagnostics

3. How We Use Information

We use collected information to:

- Generate summaries and insights
- Identify trends and important updates
- Filter information noise
- Improve service quality
- Personalize user experience
- Provide support and troubleshooting

4. AI Processing

Content processed through Briefly may be analyzed by artificial intelligence systems.

Depending on configuration, AI processing may be performed using:

- Self-hosted models operated by Briefly
- Trusted third-party AI providers

Only information required to provide requested functionality is processed.

5. Google User Data

If you connect a Google account:

- We access Gmail data only with your authorization.
- Gmail data is used solely to generate summaries and insights requested by you.
- We do not sell Gmail data.
- We do not use Gmail data for advertising.
- We do not transfer Gmail data to third parties except as necessary to provide the Service.
- Google user data is not used to train generalized AI models.

6. LinkedIn Data

If you connect LinkedIn:

- We access only data authorized through LinkedIn permissions.
- LinkedIn content is used exclusively to provide monitoring, analysis, and summarization features requested by the user.

7. Telegram Data

If you connect Telegram:

- We may access channels, groups, and content selected by the user.
- We do not intentionally access private conversations that are not required for requested functionality.
- Telegram session credentials are stored securely and protected using encryption.

8. Data Sharing

We do not sell personal information.

Information may be shared with:

- Infrastructure providers
- Cloud hosting providers
- AI processing providers
- Legal authorities when required by law

All such sharing is limited to what is necessary to operate the Service.

9. Data Security

We implement reasonable technical and organizational measures to protect user information, including:

- Encryption of sensitive credentials
- Secure storage of authentication tokens
- Access controls
- Monitoring and logging

No system can guarantee absolute security.

10. Data Retention

We retain data only for as long as necessary to provide the Service and comply with legal obligations.

Users may request deletion at any time.

11. Your Rights

Subject to applicable laws, users may:

- Request access to their data
- Request correction of inaccurate information
- Request deletion of their data
- Disconnect integrations
- Withdraw consent

12. Children's Privacy

The Service is not intended for individuals under the age of 13.

13. Changes to This Policy

We may update this Privacy Policy from time to time.

Updated versions will be published with a revised effective date.

14. Contact
